# FOREWORD

“We don’t stop playing because we grow old;  
we grow old because we stop playing.”  
– George Bernard Shaw

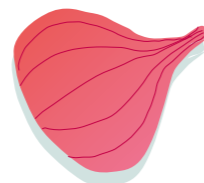

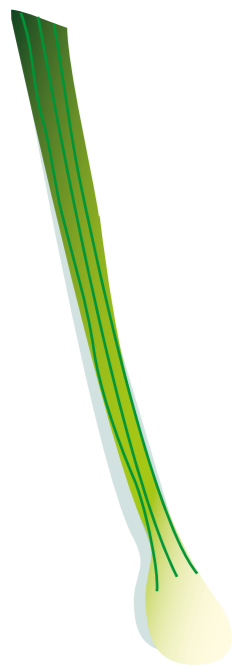

Here’s a fresh new catalog, and what a catalog it is! Take a look and see for yourself—we’re creating so much more these days than just (really beautiful) books. On page 13, we’re launching our brand-new lineup of games! Snor’s non-book section is packed with fun, beautiful games, complete with Snor style.

Memory for pregnant women and those going through menopause (now extra user-friendly), an offline family game card set, and an inspiring card deck for personal growth (called Weekly Wellness).

Rest assured, we’ll keep making our stunning, fascinating books.

Like ones about the conversations we have with our cats, how to turn our city homes into real farms, and how modern dads can connect with their sons. These are destined to be smash hits again.

With love,
