CHILDREN'S BOOKS

RIGHTS CATALOGUE

SPRING 2025

Welcome

Dear Partners around the world,

Are you looking for an **exciting new non-fiction** project?

Here is our series start of the **Smart as a Fox (Schlaufux)** titles. We are starting with the most popular topics: **Dinosaurs, Horses & Ponies, Earth and Space.**

Target age is **9-12 years**. Each title has 64 pages.

The concept integrates self-directed learning and is an adaptation to children's digital viewing habits. After each page, readers can decide where they want to continue reading in a choose-your-own-adventure style. So it is non-linear.

Furthermore, we invite you to browse our fiction series, from our popular Unicorn series Sternenschweif to the Time Traveling Detectives and many other entertaining titles.

You can find us this spring at the fairs:

London (March 11th - 13th) in Hall 6D61

Bologna (March 31st - April 3rd) in Hall 30, B32-C19

Please contact us for meeting slots and/or titles, you would like to see.

We are looking forward to hearing from you

Best wishes

Franzi, Julia and Kirstin

Non-Fiction and Picture Books for Kids

How does a microscope work? What can you discover with it? How are single-cell organisms, minerals, plant and animal cells structured? This book helps you select the right microscope and describes from scratch how to handle it. Step by step, the book explains which magnification is correct, how you prepare your own slides and how you make durable specimens. Professionals will find additional tips and get information about researcher's microscopes, such as the scanning electron microscope.

Digital microscopy – micro and macro photos with the smartphone – is also explained

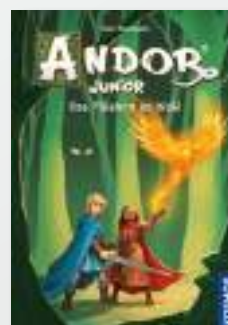

Graphic Novel: At the northern shore of Andor, a boat runs ashore –in it a man with no memories. Only his name has remained: Varkur. The young fisherwoman Ranja finds him and nurses him back to health. But in the village the fear of the peculiar stranger grows. Accompanied by Ranja, Varkur flees to finally find answers. His journey turns into an inner battle between good and evil, between love and power. The well-known comic illustrator Timo Grubing has ingeniously illustrated Varkur's previously untold story: See Andor's evil magician and his story of how he became what he is now in a new light.

*Klaus Teuber was one of the most respected game designers in the world. With his greatest success *The Settlers of CATAN*, Klaus Teuber created a unique game universe, which became one of the most successful board games in well over 40 Languages. He established and shaped the genre of the „German Boardgame“. Klaus Teuber's profound convictions have shaped the world of CATAN and are the reason for its continuing relevance even after more than 25 years: „At the game table, all are equal: origin, skin color, gender, sexual orientation, religious convictions or age do not play a role. Everyone has the same rights within the set of rules.*

Die drei ???

Meet The Three ??? – an investigative team of 3 boys: Justus, Peter, and Bob.

Set in Rocky Beach, Southern California, they solve mysterious and exciting cases. Often with the help of the local police they find a solution, when no one else can. Author Robert Arthur created the series in the US in the 1960's under the editorship of Alfred Hitchcock.

While the series came to an end in the US after only 50 volumes we in Germany decided to continue with the brand and thus started one of the biggest success stories in German children's literature...

To this day we publish 6 volumes each year, as well as special editions, and calendars. Together with the ever-present audio dramas by Sony it has become a #1 top of mind brand.

- **Target age 10+**
- **Over 19 million German copies sold**
- **Over 200 volumes, + 30 special editions, including graphic novels and comics**

Die drei ??? Kids

The Three ??? Kids

Based on the original series of the Three ??? there is another kid's brand in Germany that has become an incredible success story.

In 1999 Kosmos developed a new brand – a spin off for a younger target audience: The Three ??? Kids. We meet the same investigative team of Justus, Peter and Bob, but in these stories they are 8 to 12 years old. Already they have started to solve their first cases. These are not as exciting, but just as mysterious.

- Target age 8+
- 10 million copies sold in Germany

An All Girls Detective Series – Bestselling Success Story

In 2006 we decided to create another spin-off to balance the investigative boy trio with an all girls trio: The Three!!! were born. These stories are based on a team of three girls Franzi, Kim and Marie, set in Germany. The best friends have solved more than 90 exciting cases together already. There are special editions with a first love interest (hearts on the cover), there are do-it-yourself titles with creative ideas for kids, cases based on fairy tales, topological titles set in big cities, and many more...

Our Recommendations

“This time traveling series is wonderfully exciting, and yet factually correct. A new adventure for the detectives to learn about the art of warriors with the Samurai”

“A great discovery: original ghost stories by Robert Arthur, spooky, retro, and I really recommend reading this alone at night in the dark...not”

“Another cozy crime story set in sunny California - these are the perfect mixture of crime and feel-good story.”
