Little Ones –

»Aber Mamas und Papis Löffel sind ganz normal, sie sind gleich lange«, schniefte Henri. »Meine nicht.«
 »Es gibt kein Normal«, erklärt Opa. Er deutet mit der Pfote nach oben in die Baumkronen. »Guck mal, jeder Baum ist anders gewachsen. Und jeder ist wunderschön.«
 Henri stampft mit dem Hinterlauf auf den Boden. »Aber ich bin doch kein Baum.«
 »Aber ein Lebewesen«, sagt Opa. »Keines gleicht dem anderen. Jeder Baum, jede Blume, jedes Tier und auch jedes kleine Häschen ist einzigartig.«
 Henri kratzt sich mit der Pfote nachdenklich an seinem kurzen Löffel.
 Nina Nachtigall flattert über sie hinweg und setzt sich auf einen Ast. Sie fängt an zu singen und Henri ist kurz abgelenkt. »Ist das nicht schön, Opa?«
 Hase nickt. »Deine Ohren sind also... sind zum

ist schon grau und die Löffel haben beide einen Knick. »Meine sind auch unterschiedlich lang. Das hast du vielleicht von mir geerbt.« Opa seufzt. »Als ich noch klein war, wurde ich deswegen manchmal gehänselt. Das hat mich traurig gemacht.«
 Henri schaut auf.
 Opa blickt seinen kleinen Enkel über den Rand seiner Brille an. »Ist dir das auch passiert?«
 Henri merkt, wie sich seine Augen mit Tränen füllen. »Ja«, gibt er zu. »Doro hat gesagt, dass es komisch aussieht. Und über den Knoten hat sie auch gelacht.«
 Opa Hase nimmt seinen Enkel in den Arm. »Wir lieben dich so wie du bist. Und du bist perfekt, so wie du bist.«

»Eddi, Eddi!«, ruft Charlie.
 »Wahnsinn!«, ruft Specht Sigi, der in der Baumkrone sitzt. »Gleich hast du es geschafft!«
 Auch Charlie ist begeistert. »Wow, Eddi!«, ruft sie. »Das kannst du wirklich gut!«
 Eddi hält kurz inne und betrachtet den Baumstamm. Er hat wirklich schon einiges geschafft.
 »Der Stamm sieht aus wie eine Eieruhr!«, piepst Ida Maus.
 Von den fröhlichen Rufen angelockt kommen immer mehr Tiere zum Bach. Alle wollen sehen, wie Eddi den großen Baum gleich zum Umfallen bringt.

»Wo sind eigentlich deine Eltern?«, fragt Charlie, als Eddi eine Patte macht.
 »Die sind heute weiter oben am Bachlauf«, erklärt der kleine Biber. »Ich wollte nicht, dass sie dabei sind und mir immerzu Ratsschläge geben.«
 Marie Marienkäfer landet neben ihnen auf einer Blume. »Das verstehe ich. Wenn ich Plankuchen backen will, sollen meine Eltern auch nicht in die Küche kommen.«
 Plötzlich macht der Baum ein knarzendes Geräusch.
 »Obwohl es manchmal nicht schlecht ist, wenn die Eltern da sind«, ergänzt Marie Marienkäfer mit bangem Blick in die Baumkrone.
 Eddi sieht nach oben. Gleich hat er es geschafft.
 »Darf ich ein paar der leckeren Triebe haben?«, fragt Reh Goldie.
 »Na klar!«, sagt Eddi. Er nimmt einen Schluck Wasser und sagt weiter.
 Schließlich ist ein lautes Knacken zu hören, der Baum beginnt zu schwanken.
 »Wohin kippt er denn?«, fragt Frosch Hanno aufgeregt.
 »Ich hab mir vorgenommen, den Baum ans Ufer fallen zu lassen!«, muschelt Eddi.

Henri the rabbit is distraught! Because he has one short and one long ear, he is laughed at in kindergarten. Luckily, Grandpa and his friends are there for him. Since her best friend Lina has moved away, Mia Mouse misses her terribly. Can Max the hedgehog comfort her? And what can help Elli the squirrel when she can't play with the other animal children because of her injured paw?

10 reassuring animal stories show what can help when children need comfort and attention in very different situations. Sadness, anger, despair and other difficult feelings disappear in a flash!

Series info:

An exciting day at daycare, a fight with the little brother, a bruised knee, a lost cuddle toy ... every family is familiar with situations in which children are overwhelmed by their everyday lives. Reading together creates closeness and places of respite – time to cuddle up, discuss events of the day, relax and calm down.

If you have a sprained foot or a runny nose, you go to the doctor. But what if your soul feels under the weather? When nothing brings you joy? When you have inexplicable fears? Or when you keep doing things you don't want to do? Is there a cure for this too? And is it even okay to talk about it?

Told entirely from the children's perspective, this book discusses various mental illnesses and how they impact the daily lives of those affected and their families. It encourages people to talk openly about these illnesses and shows ways of dealing with them. Because everyone has the right to seek advice and help in difficult situations.

You've never seen our Earth

I get a bit excited before every trip: What will I see? Who will I meet? And will everything go smoothly? But when the excitement hits me, I have to go! I want to know what the world looks like.

I always have my camera with me. In this book, I want to take you on a journey around our wonderful planet. We will hike over snow and ice in the Arctic, cross deserts and climb volcanoes in Africa and roam the vastness of Siberia in Asia. We will visit people and observe animals.

Our Earth is unique in its astonishing diversity. I would like to show it to you.

„Comprehensive economic education is an important building block for strengthening equal opportunities and social participation of young people. Only those who have the necessary basic knowledge can, for example, assess opportunities and risks when investing money and thus make self-determined decisions on investment, credit or insurance issues. Financial education is life education.“

New appearance for Picture Mouse and Reading Lions

With our first reading books, we have been supporting children for over 45 years in the difficult process of learning to read. We attach particular importance on **good stories about topics that inspire children who are just starting to read.**

Learning to read is fun!

Even before the pandemic, the reading ability of fourth-graders had already declined. Studies have shown that during the pandemic the reading ability has been further challenged. **We are responding with a revised grade level concept.**

From now on, we will be using the **ABeZeh learning-to-read font**, which was specially developed for beginning readers and is also suitable for children with dyslexia. The amount of text has been reduced and the number of pictures has been increased. In addition, we are now using **syllable colouring** for the first and second grades, which has been proven to support children in grasping the meaning of words. **Question pages** create reading breaks and promote text comprehension, now always immediately after each chapter.

Brand new are our reading lions for grade 3 - designed for older children who still struggle with reading and need support. **Cool illustrations** and an **innovative layout** are designed to increase motivation in learning to read and provide extra reading fun.

The most important keywords to the relaunch:

- Revised series design and new logos
- New Picture Mouse and Reading Lions characters
- ABeZeh learning-to-read font
- Syllable colouring in 1st and 2nd grade
- Reading lions now also for 3rd grade

About Picture Mouse (Preschool, 5+):

The *Picture Mouse* series tells exciting adventure stories of a lovable character or an exciting location. In the text, all nouns are replaced with small pictures that children from the age of 5 can recognise and name when reading (aloud) together. In this way, children are gently introduced to the process of reading and have already „read“ their first book before they start school!

EARLY READING

About Reading Lions (Year 1):

With the *Reading Lions* (Year 1) children can read their first book all by themselves. Exciting stories with strong themes and characters, lots of colourful pictures, short sentences and small text units help with learning how to read. The large, easy-to-read font has been specially developed for beginning readers and is also suitable for children with dyslexia. The syllable colouring makes it easier to grasp words. With the question pages after each chapter and the factual information at the end of the story, first-time readers can easily check whether they have understood the text correctly. This makes learning to read fun!

EARLY READING

About Reading Lions (Year 2):

The *Reading Lions* (Year 2) turn children into reading professionals: popular topics and characters provide excitement and fun. Thanks to a balanced text-to-picture ratio and the large font, which was specially developed for beginning readers, children from the age of 7 and up can easily grasp the content. The syllable colouring helps to recognize individual words. Accompanying information and explanations also deepen general knowledge, and children can use the questions at the end of each chapter to check whether they have understood the text correctly.

A place full of magic –

„Achtung, Flugverkehr!“ Liv deutete grinsend in den Himmel. Milan konnte es kaum fassen: Hoch über ihnen flog die Chefin auf dem Rücken ihres gewaltigen Florian. Sie wurde von älteren Schülerinnen und Schülern auf ihren Drachen im Sturzflug verfolgt.
„Dürfen wir das auch mal machen?“ Milan schaute den Drachen am Himmel nach. Es sah einfach großartig aus.
Simak seufzte. „Das geht erst, wenn unsere

Drachen groß und stark genug sind, um uns zu tragen.“
„Wir müssen los“, sagte Liv. „Wir haben jetzt Rechtschreibung bei Professor Esden in der alten Schlosserei.“
Rechtschreibung? Milan konnte gar nicht sagen, wie enttäuscht er war. Auch das Klassenzimmer in der alten Schlosserei sah fürchterlich normal aus. Allerdings schlief neben jedem Tisch ein Drache.

„Ist das Professor Esdens Drache?“, raunte Milan Liv zu.
„Nein, ich bin Professor Konrad Esden“, antwortete stattdessen der Drache. Er hatte eine tiefe, raue Stimme.
Milan schluckte. Ein sprechender Drache? Professor Esden erblickte Lix. Dann lachte er. „Wir haben einen Glücksdrachen unter uns! Na, endlich! Jetzt geht es hier im Unterricht vorwärts.“ Professor Esden brüllte einen Drachenschrei in die Klasse, der alle Schülerdrachen weckte. Sogar der kleine Basilus Bas öffnete seine Augen.
Liv und Simak setzten sich schnell auf ihre Plätze. Lix und Milan hingegen mussten zum Lehrerpult kommen. Milan schwitzte. Er hatte

Milan has a special gift: he can see dragons! Dragons that are invisible to everyone else. For some time Lùx, a little dragon of luck, has been following him everywhere. The name suggest that Lùx should actually bring luck. But Milan keeps getting into bummers because of him. Who would believe that he has stumbled over an invisible dragon and not been pushed? Exactly! Nobody. Milan is therefore delighted when he is allowed to change schools. But he has no idea that a great adventure full of magic begins for him.

No wonder that Kalli is causing quite a stir in the lives of the Gurkenbrot family and at the wildlife station. Kalli Desertbabbie is bored. And when Kalli is bored, he is up to all sorts of nonsense. So Leo packs him up and pays Maja a visit. Because she has a pool in her garden. The fact that he has to cross half the city with Kalli and the risk of them being discovered ... Well, Leo has certainly had better ideas. And indeed, the nasty Mr. Nasenbruch of all people becomes aware of them. He is known to love rare things. The more unique, the better. They go on a wild chase with him. Because if Nasenbruch gets his hands on Kalli, it's all over.

schüttelt er den Kopf. „Keine Sorge, Luna. Die Spur ist alt.“
Erleichtert guckt Luna den Abhang hinunter. Unten liegen nur ein paar Steine. Kein verletzter Skal!
Als sie weiterlaufen, fällt ihr noch etwas ein. „Die Schlange“, wiehert sie erschrocken. „Ska hat mit einer giftigen Schlange gespielt!“
Neo legt alarmiert die Ohren zurück. Nebeneinander traben sie durch die Prärie, bis sie den Fleck aus Federgras erreicht haben. Hier versteckt sich die grüne Schlange. Sie hat sich ganz klein zusammengerollt.
Aber von Ska fehlt weiterhin jede Spur.
„Wo kann er denn nur sein?“ überlegt Luna und guckt sich um. In der Ferne hört sie den Fluss rauschen. Und eine neue Erinnerung taucht in ihrem Kopf auf. „Ska wollte am Flussufer spielen!“

Die Katzen schielt zu ihren Ohren, dann zu Pinsels.

„MAAAAAAAAAU!“, brüllt sie. „So eine Schande!“

Sie ist zwar nicht so groß wie King Kofi. Aber die Krallen und die spitzen Zähne gefallen Pinsel gar nicht.

Vielleicht kann er ihr irgendwie wieder gute Laune machen?

„Malst du auch mit den Ohren?“, fragt er fröhlich.

„Malen? Das sind doch keine Pinsel!“, faucht die Katze.

„Aber du bist doch einen Pinselohrkatze?“, fragt Pinsel eingeschüchtert.

„Pinselohrkatze?! Pfiff! Ich bin ein KARAKALI!“

Der Karakali hebt stolz seinen Kopf. „Und das an meinen Ohren sind keine Pinsel, sondern Antennen! Damit höre und empfangen alles, was um mich herum passiert. Auch in der dunkelsten Nacht.“

Pinsel stellt seine Ohren auf. „Ich kann auch alles hören. Aber in der Nacht mach ich lieber Sendepause...“ Pinsel legt den Kopf schief.

„Danach eine fisper fsohnige fSüßfpeifse“, murmelt er währenddessen und entfernt sich wieder.

Erst als der Löwe längst nicht mehr zu sehen ist, atmet Tafiti auf.

„Das ist ja noch mal gut gegangen“, lacht er. „Hatten wir ein Glück: King Kofi hat wieder geschlafwandelt!“

„UFF!“, macht Pinsel wieder und diesmal kommt es aus tiefsten Herzen. Langsam spürt er seine Beine wieder. Und seine Beine wollen nach Haus. Und zwar sofort. Tafiti hat kaum Zeit sich auf seinen Rücken zu schwingen, da rast Pinsel schon los und rennt und rennt und rennt, bis sie wieder zurück in der Erdmännchenhöhle sind.

„Ge-schlaf-wan-delt“, keucht Pinsel und kriecht in sein Bett. Vom Rennen ist er immer noch außer Atem.

„Ja! Zum Glück! Er hat uns gar nicht bemerkt!“, kichert Tafiti.

Then Ruby and her grandma won't be able to keep it a secret that mythical creatures really do exist for much longer ...

But luckily the "monster" turns out to be a dolphin that has decided to stay in the harbor. This is an unusual behavior – especially because it doesn't want to let anyone approach a certain group of rocks. Ruby decides to get to the bottom of the matter. A mermaid appears between the rocks! Is the dolphin so nervous because of her? And what are they hiding?

Even as a child, **MILA MARQUIS** created dream worlds with pencil and brush. After studying fashion design, she puts her funny, pretty or dreamy ideas in children's books, on postcards or calendars. She lives in Hamburg with her son, three cats and lots of plants and is happy every day to have such a great job!

Somewhere deep in the forest under the protective canopy of trees live the elves. Every elf has their own purpose in the forest. They all live there in harmony with the animals and trees, flowers and roots. The elves help the creatures, and they are all there for each other. Only every now and then something dark interferes with this wonderfully peaceful coexistence ...

Great excitement in the royal palace! The blue orchid from the palace garden has been stolen. Only it can be used to make a special flower potion that keeps the magic of the elven forest in balance. Now haste is crucial. With the help of her magical amulet and a lot of courage and heart, Rubinia sets out to find the royal flower again.
