BURNING CROWN. Dragonbound Vol.1

- English sample translation available.
- Vol. 1 of this gripping romantic-fantasy trilogy draws readers into a maelstrom of betrayal, power, magical alliances and forbidden feelings.
- Darker and more sensual than "Fourth Wing", but just as addictive.
- Topics: dragons, magic, two kingdoms at war, forbidden love, secret identity, enemies to lovers, fated mates, fighting a suppressive system, impossible love, betrayal, fate

October 2024 · 400 pages

Additional sales information:

- 115,000 copies sold of Marie Niehoff's fantasy debut *Vampire Royals* (Vol. 1+2). Rights were sold to: the Czech Republic, France, Italy, Russia, Spain, Ukraine.
- 7 Mio. views for #whenthekingfalls, Vol.1 and 2 were on the *Spiegel* bestseller list for weeks, nominated for the TikTok Award.

Marie Niehoff, born in 1996, has had a fascination for fantastic stories since childhood. One thing above all must not be missing from them: Romance. When she's not writing, she paints, creates mood boards, tends to her countless houseplants or lays tarot cards. She has already published books in the New Adult genre under other names. You can find her on Instagram and TikTok under @marienie.schreibt.

In the world of Eldeya, a realm where dragon shifters once ruled the skies until humans rose up, now a strict regime prevails. Three offenses are punishable by death: betrayal, desertion, and relationships between riders and dragon shifters.

Yessa, a young woman and newly promoted captain in the military of Eldeya, is at war with the neighboring kingdom of Davos. All her life, she had her half sister Livia, who, being her also her dragon shifter, was always more than a servant to her—a secret that she hid in fear. After Yessa's entire troop dies in an ambush, the loss of Livia tears her heart apart. Yet, instead of being allowed to grieve, she is assigned a new dragon shifter, Cassim, precisely the man who knows her biggest secret and could destroy everything Yessa has built throughout her life. Cassim initially meets her with rejection and hatred, but as they spend more time together, they grow closer. Against all reason, trust grows between them and with it, also forbidden feelings. However, Yessa is not the only one with secrets. While she still struggles with whether to violate the third rule, Cassim has already broken the first ...

An old castle on the Baltic Coast, a seductive crown prince and a young woman searching for the truth ...

We all grow up with these stories. Girl meets prince. Girl falls in love. Girl becomes happy. And if they haven't died, they are still alive today ... But that's a lie.

Because Sofia's best friend met a real prince. And now she's gone missing. Sofia won't rest until she has found out what happened to Alva and forms a plan: Under the guise of working as a kitchen assistant, she sneaks into the royal family's castle. Her next step is to gain the trust of Crown Prince Maximilian somehow. Sofia expected it to be difficult. But she didn't expect just how hard it would be, because soon Maximilian awakens feelings in her that she didn't know before

When rivalry turns into something more ...

Leaving everything behind. Starting anew. That's exactly what Josh expected from studying at Brynmor University. But after a dispute with another student, he finds himself ostracized just like in his school days. To make matters worse, he now encounters Finn Godwins again at Brynmor. The families of Josh and Finn have been feuding for decades, and Finn and Josh themselves have clashed repeatedly in the past. Their rivalry reignites at Brynmor – until a forced collaboration unexpectedly leads to feelings developing between them. Finn's older brother, the leader of the exclusive student fraternity Brynmor Dawn, however, sees this as a thorn in his side. And he will do everything in his power to drive them apart ...

Rae's to-do list: 1. find Grandma. / 2. avoid Archer. / 3. ignore point two. / 4. not lose my heart to Archer again while he's helping me search. / 5. ignore point four. / 6. shit.

"Your grandmother has been kidnapped."

When crime writer Rae receives this news, she initially rolls her eyes. Her grandma's friends are certainly exaggerating shamelessly. It's not unusual for her grandmother to go travelling without prior notice. And besides, who would kidnap a harmless old lady like Fenella? Nevertheless, Rae sets off for her home town in the north of Scotland to find out what has happened. There she realises that the circumstances of Fenella's disappearance are indeed suspicious - and that her grandma had more secrets than Rae ever suspected. One of these secrets leads her straight to Archer Warwick, the man she once wanted to elope with. And annoyingly, Rae's heart still beats just as fast in his presence as it used to ...

- Perfect for fans of Mona Kasten and Bianca Losivoni.
- Topics: New Hampshire, mistakes and consequences, loss, trust, unrealistic love, courage to overcome fears

She's had enough of men, but he can't get enough of her...

Through a careless mistake, Aubree Sturgess has gambled away everything: her place at Brooklyn College, her mom's trust and her dream of one day becoming a successful playwright. She has nothing left but the determination to start over and never make the same mistake again.

Aubree moves in with Ivy and starts studying at the same university.

This is also where she first meets Ivy's stepbrother. Noah. Rich. Handsome. A playboy. Exactly the kind of man Aubree wants nothing more to do with. But when Noah asks her to help him with a project, she agrees to do Ivy a favour. She also gets to use her handlettering hobby in the process. Almost against her will, Noah manages to lure her out of her shell with a mixture of persistence, impudence and sincerity.

- Topics: family secrets, fight for recognition, political ambitions, strong opinions, heated discussions, tense feelings, opposites attract

Love doesn't have to be perfect. It just has to be true.

Jane finds herself in the sobering grips of solitude: her mother has recently passed away, and the once strong bond with her brother has been shattered by his secrecy - a betrayal she can't find it in herself to forgive. Since she found out that her biological father is a famous politician who ignores her to avoid bad press, she chooses to discreetly take shelter in the diner where she is employed. Her work serves as a much-needed distraction, particularly when she is in the company of regular guest Alex. Maybe it is simply because Alex triggers feelings inside her that push back the chaos. But the calm she feels when she is with him is deceptive. In fact, she is in the eye of the storm, but she becomes aware of it too late.

She prefers to avoid tourists, especially when they behave as stupidly as Jackson. He wants to go hiking with a friend, but the reckless city boys land themselves in a dangerous situation on the very first evening. She helps them on the understanding that they will then leave, but instead, Jackson convinces Haven to show him her world. And suddenly there is someone who shares everything that she previously experienced alone. A confusingly nice, but also painful, feeling. For Jackson must soon return to his city life ...

FREE LIKE THE WIND. Canada Dilogy (Vol. 2)

- Bittersweet and full of emotion – the finale of Kira Mohn's two-volume Canada series
- Topics: Canadian Wildlife, friendship, overcoming pain, mental health, healing in nature, cosy romance, new adult romance

When seeking solitude leads to unexpected company ...

Rae is a typical city kid. She enjoys the anonymity, the fast pace, the rapid change of the city. Nowhere else is better for being able to forget yourself. If someone had told her a year ago that she would set off on month-long hikes through the Canadian wilderness with a backpack, she would have laughed. But that's exactly what she is doing now.

Because she can't go on this way and she needs to learn to be alone. Because she needs to free herself from painful memories. Only now she is not quite as alone on her hikes as she planned, because Cayden has decided to join her, against her will. Cayden of all people. He is a womaniser, takes nothing seriously and really gets on her nerves – until he lets her see behind his mask ...

THE SKY IN YOUR EYES. Iceland Dilogy (Vol. 1)

- English sample translation available.
- A story about personal insecurities, self-perception, love and overcoming personal fears.
- Kira Mohn crafts characters that leave a deep impression through their realism and emotional intensity.
- Topics: body positivity, taking chances, freeing yourself from fear and insecurity, friends to lovers

Where northern lights are dancing, these two hearts skip a beat.

Elin & Jon meet at a cooking class. The charming graphic designer is fascinated by the introverted, young woman. The feeling appears to be mutual, and yet she keeps him at a distance. Why? When Jon kisses her one evening, Elin lets herself go for a moment. The feeling of his lips pushes everything else to the background. But then her mind kicks back in and she thinks about the things her ex said, she thinks about how she looked in the mirror this morning, she thinks about what her soft body must feel like. And she pushes Jon away. Jon has never taken anything very seriously in his life. But the thing with Elin is serious to him - especially when he finds out which fears are holding her back.

THE SEA IN YOUR HEART. Iceland Dilogy (Vol. 2)

- Kira Mohn's Iceland dilogyk takes her readers to an awe-inspiring and majestic landscape.
- Topics: environmental protection, whaling industry, voluntary work, passionate convictions, court case, one-night stand, attractive lawyer, man in a suit, irony of fate, enemies to lovers

A heart like the sea: stormy, wild and free.

Lilja's world is all about whales and the mesmerizing tours she conducts in the icy landscapes of Iceland. She's in awe of these majestic creatures and passionately opposes the whaling industry, specifically the Icelandic one. But, her passionate protests have now stirred up a court case. To shake off the stress, she heads for a night out and meets Jules Marceau in a local bar. The atmosphere is electric, and she ends up agreeing to a one-night stand. But Jules isn't ready to let it go at just one night; he wants to see her again, and, to her own surprise, Lilja finds herself looking forward to date number two. But they don't get around to it. When she sees Jules again, it is in court: he is her opponent's lawyer!

February 2023 · 320 pages

A story of love, family, friendship and courage.

Victoria is shocked to learn, at nineteen, that she was adopted. Against her parents' wishes, she sets off on a journey to find her biological mother. Accompanying her on this journey is Jack, her best friend, the one person who is always there for her, safe and stable. But her world is becoming unstable, and Vic soon finds herself developing feelings one isn't supposed to have for one's best friend. Could she – and, more importantly, would she want to – risk this friendship? Particularly now, when she needs him by her side more than ever? Given that her journey has led her to a woman whose reaction is not at all what she had expected.

YOU AND I, SOMETIME. Scotland Dilogy (Vol. 2)

- A story of love, old secrets, and second chances.
- Topics: Scotland, mother-daughter relationship, roots, past relationship, emotionally charged mystery, memory, identity, cosy romance, second chances

“You weren't just a star, to me. You were my whole sky.”

This is a bad joke. That's the first thought that crosses Emmeline's mind when a young woman shows up on her doorstep claiming to be her daughter. Em doesn't have children. More than that - she can't have children. This is a bad joke, and it's anything other than funny. It's cruel. But the young woman is serious, entirely convinced of their relationship. To Em's shock, her own mother confirms, that the young woman at Em's doorstep is indeed right. This revelation forces her to look at her own life and past in a new light. And also to revisit a relationship, a man she hasn't seen for twenty years, who still holds a piece of her heart and could be her daughter's biological father ...

A wedding, a pretend boyfriend and an unplanned kiss - what could possibly come next?

Camryn Kovic has a big, crazy and loud family. And when Camryn's boyfriend breaks up with her a week before her sister's wedding, she knows full well that it will ruin the big party. "Camryn, why aren't you married yet? Camryn, why can't you hold a man? Camryn, why don't you dress up a little nicer? Camryn, the best man's still single!" The fact that her sister suggests that she should come to the wedding with a fake boyfriend is still crazy. Crazy, but understandable. And that's why Camryn gets involved. What could possibly go wrong? Apart from the fact that no one believes her, that she's with Troy, a childhood friend. That's why Troy kisses her in front of the whole family. And this silly kiss does something to her that wasn't planned at all ...

A CEO's battle with social anxiety, business development, the media and unexpected love.

The world sees in Xavier Gaines nothing but a freezing cold robot. No one suspects that the successful businessman actually suffers from a social anxiety disorder and hates nothing more than attention. But if he wants to take his company to the next level, he has to learn how to deal with people and especially the press. There is only one person he trusts enough to let her know about his problems. Peyton Smoke. They already know each other from their high school days: he was the lonely nerd and she the popular cheerleader. And yet they were friends. Now Peyton is a successful PR consultant and just the right person to polish up his image. The two agree from the outset to be absolutely honest with each other. Xavier keeps just one thing to himself: that he suddenly can't think of anything else but kissing his most important employee ...
